Post Office Inspectors Can't Find Broker Putnam, Who Has New Idea.

## PROMISED BIG PROFITS ON SMALL INVESTMENT

Mayhew and Hugh J. McQuillan visited the brokerage offices of John H. Putnam & Co. yesterday to inquire into that concern's widely advertised method of selling oil stocks on the instalment plan. The inspectors hoped to ask John H. Putnam, author of the Putnam method and head of the company, a few questions, but they were told that he had sone away after having withdrawn his account from the Scaboard National

employees-including some pretty stenographers-developed the fact that Putnam made his departure last Saturday, but that he slipped back to the office last night and left a pathetic little farewell thaca to note, with enough cash to pay off the Ontario except for Geneva and Canan-

# Woman Is Murdered.

Two hours after Mary Surini was ball for a further hearing into the mysturdered yesterday afternoon in her tery next Monday.

Europe, although of somewhat greater value than usual. There is no truth in the rumor that they were involved in A murdered yesterday afternoon in her home, 1267 Forty-second street, Brook-lyn, Charles Surind, her husband, was ar-\$700 interest on the unual instalments, would amount to \$1,700.
Such purchases, Putnam insisted, were not margin transactions and were not subject to "calls" in the event of any depreciation of the stock. He also predicted that Onio Oll would sell at \$1,000 ins father rushed in, kissed the boy and went away, taking with him his youngest.

When he took his offices on the sixth floor of the building at 68 Broad street he gave as references the owners of an office building in Springfield, Mass., and a bank in that city. These references were investigated at the time and proved satisfactory. Putnam is said to have paid for all his office furniture in cash. He insisted on opening all the incoming mail himself and would never divulge.

Despondent because he failed to pass an examination for promotion in the night course of the De Witt Clinton High School, Edward Mooney, 16 years old, of 426 West Twenty-ninth street attempted to commit suicide yesterday by taking iodine. He was taken to the Polyclinic Hospital. It is believed that he is not in a serious condition.

Mooney is employed as a stock clerk in an automobile concern at 229 West Despondent because he failed to pass
